

LAWTON PUBLIC SCHOOL
FOUNDATION

TEACHER GRANTS

WHO CAN APPLY?

Lawton Public Schools' certified employees can apply for a grant. Applications can be from an individual educator or be a collaborative effort.

WHY SHOULD YOU APPLY:

If you have a creative and innovative idea that will engage your students and enhance their educational experience but your school lacks funding for the materials, field trips, or technology please apply! We generally do not fund basic supplies that your principal can order from LPS (basement supplies.) We love to fund projects that motivate, inspire, and engage our students!

WHAT SHOULD I APPLY FOR?

Lawton Public School Foundation supports our teachers with resources, technology, and extra curricular activities that your school budget is unable to fund.

WHO DO THE RESOURCES BELONG TO?

The applicant understands that the granted resources become the property of Lawton Public Schools.

HOW IS A GRANT SELECTED?

Each grant is evaluated by each member of the LPSF grant committee. The committee is comprised of LPSF pillar members. Together, the committee decides the grants they will fund. We have a limited amount of funds and will not be able to award funding to all the grants that we think are worthy. If your grant is not selected, please feel free to contact us, if you would like more information.

August 1st - September 30th
Online Grant Application Open

NLT December 1st
Grants Approved, Funding Announced

NLT March 31st
Recipients provide blurbs, photos,
and videos for LPSF publicity purposes.

Recipients that receive \$500-\$ 1,000
must submit a blurb and/or photos of your project

Recipients that receive \$1,001 or more
must submit a 1 minute video
(this can be recorded on your phone.)

If you have questions, concerns, or need assistance please contact Executive Director of Lawton Public School Foundation.
