

TEACHER GRANTS

WHO CAN APPLY?

Lawton Public Schools certified staff can apply. Applications can be from an individual or from a collaborative effort.

WHY SHOULD YOU APPLY?

If you have a creative and innovative idea that will engage your students and enhance their educational experience, but your school lacks funding, please apply! Our desire is to fund grants that motivate, inspire, and enrich your students and supports you, the teacher.

WHAT SHOULD YOU APPLY FOR?

Technology, programs, materials, and extracurricular activities that your school budget is unable to fund. If technology is applied for, you must coordinate this request with the LPS Director of Information Technology, AJ Watson. We generally do not fund basic supplies that your principal can order from LPS basement supplies.

WHO DO THE RESOURCES BELONG TO?

The granted resources are the property of Lawton Public Schools.

HOW IS A GRANT SELECTED?

Each grant is evaluated by members of the LPSF Grant Committee, which is comprised of Pillar members. This committee decides which grants will be funded using a scoring system. Due to a limited amount of funding, not all grants will be funded.

If your grant is not selected, please feel free to contact us if you would like more information.

August 1st - September 30th
Online Grant Application Open

NLT December 1st
Grants Approved, Funding Announced

NLT March 31st
Recipients provide blurbs, photos,
and videos for LPSF publicity purposes.

Recipients that receive \$500-\$1,000
must submit a blurb and/or photos of your project

Recipients that receive \$1,001 or more
must submit a 1 minute video (this can be recorded on your phone.)

If you have questions, concerns, or need assistance please contact Executive Director of Lawton Public School Foundation.
